1985-1995**

HELLO! Well, here it is—ten years sure goes by fast!—A lot of love, and hard decision making went into this project (what to leave out?). Looking back over my career and choosing some of my very favorite songs to present to you in this album was both a challenge and a lot of fun, and has also brought back some pretty incredible memories.

I hope that you'll enjoy these songs as much as I have enjoyed performing them for you. Most of all, I hope that they'll continue to have a positive effect on, and within, your lives.

There are so many people to thank—people who have inspired me, encouraged me, worked on these songs with me—both over the last ten years, as well as on this project. Looking back, I must again thank Ray Charles, Otis Redding, Marvin Gaye, Sam Cooke, Smokey Robinson, Stevie Wonder, The Four Tops, Percy Sledge, B.B King, and Holland, Dozier, Holland.

As always, I'd like to thank you, the greatest fans any artist could hope for. Thank you for all your constant support, enthusiasm, and affection. I really hope you like the five new songs, as well as the years of hits. See you on the road...soon!

13. CAN I TOUCH YOU...THERE?

—M. Bolton—R. J. Lange—
Baby, show me what you feel
Come to me, show me somethin' real
I need to know, I need you completely
Closer baby closer, come on let's begin
Love is takin' over, gotta let it in
Ooh I need to feel the heart of you
Need to reach the very deepest part of you

Chorus:

Can I touch you there,
touch you deep inside
Can I touch your heart,
the way you're touchin' mine
Can I touch you there,
touch you deep within
Can I touch you there,
can I touch you...there

Baby tell me with your eyes
Tell me every secret darlin'
Every deep desire, till you and I
Are makin' love completely

Closer baby closer, can't be close enough
I can't help the way I hold you
I just hunger for your love

Ooh and I need to feel the heart of you
Need to reach the very deepest part of you

Chorus

Bridge:

All I wanna do is touch ya baby
Touch the very soul inside of you
Ooh and I need to feel the heart of you
Need to reach the very deepest part of you

Let me be the one to show you
just what love can do

Chorus

14. I PROMISE YOU

—M. Bolton—R. J. Lange—
I will promise you, yes I promise to
Love you for all your life
Love you every day and night
I will always be there for you
I'll be in your arms, you'll be in my heart

Chorus:

I'll love you forever, I promise you
We'll be together, our whole life through
There's nothin' that I, I wouldn't do
With all of my heart, I promise you
I will take your hand, and I'll understand
Share all your hopes and dreams
Show you what love can mean

Whenever life just gets too much for you
I'll be on your side, to dry the tears you cry

Chorus

Bridge:

Oh I will always be in your arms
And you will always be the flame
within my heart
Chorus:
I'll love you forever, I promise you
We'll be together, our whole life through
There's nothin' that I would rather do
With all of my heart, I promise you
There's nothin' in this world I wouldn't do
I promise you

15. I FOUND SOMEONE

—M. Bolton—M. Mangold—

Don't you know
So many things they come and go
Like your words that once rang true

Like the love I thought I found in you
And I remember the thunder
Talkin' 'bout that fire in your eyes
But you walked away
when I needed you most
Now, maybe baby maybe baby
Chorus:
I found someone
To take away the heartache
To take away the loneliness
I've been feelin' since you've been gone
Since you've been gone

Dry your eyes
I never could bear to see you cry
Someday your love will shine through
Show ya the feelin's that ya never really knew
But baby don't ya lose that thunder
Talkin' 'bout that fire in your eyes
You're lookin' at me,
but ya still don't believe
Now, maybe baby maybe baby

Chorus

Bridge:

Too long on the border line
Wonderin' if your love was really mine
But you left me with open eyes
That's when I realized, and I realized

Chorus:

And baby, I found someone
To take away the heartache
To take away the loneliness
I've been livin' with since you've been gone
Since you've been gone

16. A LOVE SO BEAUTIFUL

-J. Lynne-R. Orbison-

The summer sun went down on
Our love long ago
But in my heart I feel the same
Old afterglow

A love so beautiful
In every way
A love so beautiful
We let it slip away
We were too young to understand

To ever know
That lovers drift apart
And that's the way love goes

A love so beautiful
A love so free
A love so beautiful
A love for you and me
And when I think of you
I fall in love again
A love so beautiful

In every way
A love so beautiful
We let it slip away
And when I think of you
I fall in love again

A love so beautiful
We let it slip away
A love so beautiful
In every way
A love so beautiful
We let it slip away

17. THIS RIVER

-D. Warren-

Oh this river
Oh this river runs
Can't tear my heart away from you
You are in my soul
Can't tame this love I feel for you
Can't escape what is meant to be
It's endless as the heavens

It's timeless and it's strong
It's faithful as an angel
It's right there right or wrong
There's no end to this emotion
It goes on and on

Chorus:

This river runs
This river runs so true
This river runs
This river runs to you
This river's deep as the ocean
Runs on blind emotion
This river runs, oh yeah

You're every beat within my heart
You are in my blood
Nothing could keep me from your arms
Where you are is where I'll always be
As long as there are mountains
And stars still fill the sky
As long as there's forever
I'm right here by your side
There's no end to this emotion
Till the end of time

Chorus:

This river runs
This river runs so true
This river runs
This river runs to you
This river's deep as the ocean
Runs on blind emotion
This river runs

Bridge:

This river runs
Oh so deep within my soul

And it flows forever
And for the rest of all time
It will be there
Always be there

Chorus:

This river runs
This river runs so true
This river runs
This river runs to you
This river's deep as the ocean
Runs on blind emotion
This river runs
