VINCENT NICLO

Romantique

When I was a child in my bedroom in Paris, I played around pretending I was singing with the stars I had seen on TV. Years on, I can't believe I am singing on TV with the very stars I had dreamt so much about. Sometimes life is full of great surprises.

I am so grateful for the luck I've had. The luck to turn my passion into my life, and have my voice heard outside my beloved home country, France. I've been on an incredible adventure, and I want to thank everyone so much for helping make my dreams come true.

I never stopped believing, and I hope my dreams continue to take me as far as possible.

If you're reading this it means you've put your trust in me, so wherever you are, from the bottom of my heart, MERCI.

I dedicate this album to my Dad, my inspiration.
